MEMORANDUM

Reference : 2021/OCE/OCTOBER-10/1
To : All Students
From : Mr Michael Tiong
Chief Executive
Date : 11 October 2021
Subject : **Campus Reopening in Stages**

We hope that you are keeping well and staying safe. We are as excited as you to welcome our students to be back on campus starting from 18 October 2021 in stages.

In accordance with Ministry of Higher Education's (MOHE) guidelines issued recently whereby universities are allowed to restart operations in stages with certain conditions, all students must be fully vaccinated upon arriving at the campus. Students are only considered fully vaccinated – 14 days after the second dose (Pfizer, AstraZeneca, Sinovac), or 28 days after a single-dose vaccine (Johnson & Johnson or Cansino).

While all scheduled classes will continue to be delivered online, we will start delivering a selected number of classes on campus in Hybrid mode (Online & Face-to-Face) in the near time. The list of the classes to be delivered in Hybrid mode will be updated from time to time. For the Hybrid mode classes, students will have the option of either attending on campus or online. The lecturers will deliver these sessions from the respective computer lab allocated at the campus.

If any further clarification is needed, please do not hesitate to reach out to your respective Head of Schools and Departments. We look forward to welcoming you back to the campus very soon.

Stay Safe, Stay Healthy.
